

CREATE A MEMORY

Visits to the Bay Beach Wildlife Sanctuary have been a tradition to countless numbers of families for more than 80 years. The Sanctuary is a special place where people make a connection with nature and create memories that last a lifetime.

What began as a waterfowl refuge on five acres of land has grown to include miles of hiking trails, live animal exhibits, education programs and family events.

We invite you to become a part of the Sanctuary's lasting legacy by purchasing a personalized commemorative brick. Donations are tax deductible and help the Sanctuary continue to grow, care for wildlife, and remain a family destination for years to come.
